NOTIFICATION

Subject: Mismatch of account number and Name for PIT REFUND purpose

This is to notify all the taxpayers that despite your PIT tax assessments being completed on time, we are not able to process your refund amount owing to mismatch of your account number against your name registered in the RAMIS.

Therefore, in order to get your refund early, we request you all to cross verify if your account number provided against your name in the RAMIS system is correct or not. Should you require any assistance, you may contact the focal officials in your respective region or email to drcinformationcenter@drc.gov.bt.
