22nd December, 2023

PUBLIC NOTIFICATION

The Department of Revenue and Customs (DRC) in collaboration with the Financial Institutions Training Institute (FITI) is organizing a FIVE days certification training programme on taxpayer services. The training is to achieve the following objectives:

- Enhance the efficiency of the professionals providing taxpayer services;
- Provide faster, prompt, reliable and efficient taxpayer services;
- Professionalize the existing tax consultants; and
- Certify and build a professional pool of taxpayer service providers.

Under this initiative, the trained individuals will undergo an examination and upon being successful shall be certified as accredited taxpayer service provider. This presents a valuable opportunity for individuals with the suitable personal attributes to avail the programme and to become a certified taxpayer service provider. The programme shall be fully sponsored by the DRC.

In this regard, applications are invited from interested Bhutanese Nationals who are employees of tax consulting firms/financial service providers and unemployed individuals aspiring to become certified tax service providers.
